

DRAFT MISSION STATEMENT

Our purpose is to encourage and sustain friendship between the communities in Bo, Sierra Leone and Warwick District, U.K. so contributing to worldwide understanding and peace.

We will do this according to the following principles: Mutuality, Equity, Sustainability, Human Rights, Serendipity, The valuing of Diversity.

We will do this according to the following aims:

1. To raise awareness of issues of global relationships (adult education, public meetings, presentations to groups etc)
2. To advance mutual benefit to school education in each community
3. To develop interaction between community groups in each community
4. To support and encourage person to person interaction
5. To encourage a relationship between local authorities and other public bodies in each community
6. To address the socio-economic imbalance between the 2 communities, and support Bo OWL to play a part in the recovery of its community from war and poverty
7. To continue to support exchange visits
8. To monitor our achievement of these aims for effectiveness and compliance with our overall purpose and principles..
