Dear Ms Knight

On behalf of the Sierra Leone Relief Appeal for Children affected by the war, I want to say a million thanks for your kind support and appreciation of the entire programme. Your response and participation touched our hearts and many other Sierra Leoneans. I am very sure that the children for which the programme was organised will share the same gratification.

With your support, the programme achieved its aims and objectives: to raise money for the children ceded by the war; to create awareness about the forgotten victims of a forgotten war and to encourage other people, especially Sierra Leoneans, to be more involved in similar activities in the future. We could not have raised £ 6,559 without your support. Your speeches, presentations, performances and presence went a long way to unravel the twisted logic and enigma of the four and half years war which has ravaged and traumatised our beloved Sierra Leone.

Encouraged by many Sierra Leoneans, non-Sierra Leoneans and Organisations, a group called 'ACTION FOR CHILDREN' has been formed. The group shall be an arm of Concern Universal (Charity Number 272465) working for the children affected by the war in Sierra Leone. Details will be available as soon as possible. The facts above give a solid evidence of a highly successful programme in its own right. The organisers are very pleased about this, and have no hesitation to commend you in fulfilling a moral responsibility to Sierra Leone and her precious children.

We do apologise for not sending you a full report on the programme now, but we promise that you will receive it as soon as it is ready.

We would also want to inform you that an official presentation of the proceeds has been made to Concern Universal who will use it on their projects for the children affected by the war in Sierra Leone.

Once again thank you ever so much and hope that you will continue to give your relentless support for the innocent angels of Sierra Leone.

Yours sincerely,

Mohamed Koker,
