

Letter from Warwick District O.W.L. Committee to Bo District O.W.L. Committee dated November 1996

[The letter refers to the impending visit of Tony Sheriff to Bo and a list of topics which Warwick District O.W.L. would like to have discussed with the Bo O.W.L. Committee. These topics include a possible visit from members of O.W.L U.K. to Bo , the future of OWL , how to attract younger members, how to develop adult pen friendships and the desirability of transferring more funds to aid those villagers returning to their homes or any other immediate needs.

There is also a letter to Tony Sheriff asking him to talk over these issues with Chairman Henry Sheku, Vice-Chairman David Ngombu and Secretary Raymond James - all members of Bo O.W.L.]
