

Letter from Brian Austin to Joseph Kobba dated 4th February 2000

[He refers to the difficulty in getting information about the situation in Bo, due to poor postal service.

Outlines the conditions under which Bo Koloseum's funds will be handled.

Requests information about conditions in Bo - specifically, government administration, schools, churches, hospitals and displaced people.

He says that they are continuing to collect items for shipment to Bo , such as books, clothing, office equipment and computers, and asks if these would be useful.]
